I want to be checked for cancer. Where do I go?

If you want to be checked for cancer and:

- You live in Hays County
- You make a low income
- You do not have health insurance
- You cannot get Medicare or Medicaid

You may be able to get help through one of the programs listed below. Each one may have different rules about how you qualify for services, so call the number listed for more information.

★ **Hays County Indigent Health Care Program**

If you live in Hays County you may be able to get help through the **Hays County Indigent Health Care Program**. You will need to fill out a form and show certain documents, such as a water bill, your mortgage or rent papers, or your driver's license to prove that you live in Hays County.

You do not have to be a U.S. citizen to get help. But if you have any documents (like visas) from Immigration and Naturalization Services (INS), you must show these. You will also need to tell how many family members live in your house. You will have to show how much money you make, so you also may need to show a paycheck stub.

For more information, call the number or go by the office listed below:

<p>Hays County Indigent Health Care Program 401 – A Broadway San Marcos, TX 78666 (512) 393- 5520</p>
