### I want to be checked for cancer. Where do I go?

If you want to be checked for cancer and:

- You live in Ellis County
- You make a low income
- You do not have health insurance
- You cannot get Medicare or Medicaid

You may be able to get help through one of the programs listed below. Each one may have different rules about how you qualify and apply for services, so call the number listed for more information.

### Ellis County Indigent Health Care Program

If you live in Ellis County you may be able to get help through the **Ellis County Indigent Health Care Program**.

For more information, call the number, go by the office, or visit the website listed below:

## Federally Qualified Health Centers

If you cannot get help from the Indigent Health Care Program, you may be able to see a doctor at a Federally Qualified Health Center (FQHC) clinic that will let you pay on a "**sliding scale.**" This means that the amount of money you pay is based on how many family members live in your house and how much money you make. For example, if you have a big family and make just a little money, you would pay less for medical care. If you have a smaller family or make a little more money, you would pay a little more.

For more information and to find the nearest clinic, call the numbers below. Clinics that see adult patients are listed alphabetically by city and clinic name.

## For Women

Women who want to get checked for **cervical cancer or breast cancer** may be able to get help through a special program called **Breast and Cervical Cancer Services (BCCS)**. The Breast and Cervical Cancer Services program services include:

- Screening services
  - Clinical breast examination
  - Mammogram
  - Pelvic examination and Pap test
- Diagnostic services
- Cervical dysplasia management and treatment
- Help applying for Medicaid for Breast and Cervical Cancer

You may receive these benefits if you:

- Are a female.

- Are a resident of Texas.
- Are 18 or older.
- Don't have health insurance.
- Meet income requirements (200% Federal Poverty Level)

If you have been diagnosed with breast or cervical cancer and don't have health insurance that will pay for your treatment, you may be eligible to receive full Medicaid benefits by applying for Medicaid for Breast and Cervical Cancer. Contact a Breast and Cervical Cancer Services clinic to see if you qualify for this Medicaid program.

For more information, visit <https://www.healthytexaswomen.org/bccs-program> or call **2-1-1**.

## Healthy Texas Women

Healthy Texas Women is a program dedicated to offering women's health and family planning at no cost to eligible women in Texas.

Healthy Texas Women provides a wide variety of women's health and core family planning services, including pelvic examinations, breast and cervical cancer screenings, clinical breast examination, mammograms, and other services.

The program pays only for specific services. If a health problem such as cancer is found, you will be referred to a doctor or clinic that can treat you. You can receive these benefits if you:

- Are a woman between the ages of 18 to 44 years old. (Women are considered 18 years of age on the day of her 18th birthday and 44 years of age through the last day of the month of her 45th birthday.)
- Are a woman between the ages of 15 to 17 years old and have a parent or legal guardian apply, renew, and report changes to your case on your behalf. (Women are considered 15 years of age the first day of the month of her 15th birthday and 17 years of age through the day before her 18th birthday.)
- Are a U.S. citizen or legal immigrant.
- Are a resident of Texas.
- Don't have health insurance.
- Are not pregnant.
- Meet the income requirements - monthly family income below 200% Federal Poverty Level. (See website for details.)

For more information, visit the website at <https://www.healthytexaswomen.org/healthcare-programs/healthy-texas-women/htw-who-can-apply>

or call 2-1-1. Pick a language and then press 2. If you can't connect to 2-1-1, call 1-877-541-7905 (toll-free).

## Other Screening Programs

### UT Southwestern/Moncrief Cancer Institute CSPAN

<https://www.moncrief.com/colorectal-cancer-screening>

The objective of the [Colorectal Cancer Screening and Patient Navigation Program \(CSPAN\)](#) is to increase screening rates in un/underinsured and minority populations through mailed outreach supported by patient navigation.

To qualify for this program, you must:

- Be between the age of 50 and 74
- Be a current resident in the state of Texas
- Have no personal history of colorectal cancer, colon resection (surgery), inflammatory bowel disease, or colon polyps
- Have not had
  - A stool-based test in the last year
  - A sigmoidoscopy exam (to look inside the rectum and lower colon) within the last 5 years
  - A colonoscopy exam (to look inside the rectum and entire colon) within the last 10 years

To request your free at-home colon cancer screening kit, call **888-223-8620** or complete the online form at <https://www.moncrief.com/colonscreeningkit>.

Financial assistance for those who qualify is provided by a grant from the [Cancer Prevention & Research Institute of Texas \(CPRIT\)](#).
