Federally Qualified Health Centers

If you cannot get help from the Indigent Health Care Program, you may be able to see a doctor at a Federally Qualified Health Center (FQHC) clinic that will let you pay on a **"sliding scale."** This means that the amount of money you pay is based on how many family members live in your house and how much money you make. For example, if you have a big family and make just a little money, you would pay less for medical care. If you have a smaller family or make a little more money, you would pay a little more.

For more information and to find the nearest clinic, call the numbers below. Clinics that see adult patients are listed alphabetically by city and clinic name.

For Women

Women who want to get checked for **cervical cancer or breast cancer** may be able to get help through a special program called **Breast and Cervical Cancer Services (BCCS)**. The Breast and Cervical Cancer Services program services include:

- Screening services
 - Clinical breast examination
 - Mammogram
 - Pelvic examination and Pap test
- Diagnostic services
- Cervical dysplasia management and treatment

- Help applying for Medicaid for Breast and Cervical Cancer

You may receive these benefits if you:

- Are a female.
- Are a resident of Texas.
- Are 18 or older.
- Don't have health insurance.
- Meet income requirements (200% Federal Poverty Level)

If you have been diagnosed with breast or cervical cancer and don't have health insurance that will pay for your treatment, you may be eligible to receive full Medicaid benefits by applying for Medicaid for Breast and Cervical Cancer. Contact a Breast and Cervical Cancer Services clinic to see if you qualify for this Medicaid program.

Healthy Texas Women

Healthy Texas Women is a program dedicated to offering women's health and family planning at no cost to eligible women in Texas.

Healthy Texas Women provides a wide variety of women's health and core family planning services, including pelvic examinations, breast and cervical cancer screenings, clinical breast examination, mammograms, and

other services.

The program pays only for specific services. If a health problem such as cancer is found, you will be referred to a doctor or clinic that can treat you. You can receive these benefits if you:

- Are a woman between the ages of 18 to 44 years old. (Women are considered 18 years of age on the day of her 18th birthday and 44 years of age through the last day of the month of her 45th birthday.)
- Are a woman between the ages of 15 to 17 years old and have a parent or legal guardian apply, renew, and report changes to your case on your behalf. (Women are considered 15 years of age the first day of the month of her 15th birthday and 17 years of age through the day before her 18th birthday.)
- Are a U.S. citizen or legal immigrant.
- Are a resident of Texas.
- Don't have health insurance.
- Are not pregnant.
- Meet the income requirements - monthly family income below 200% Federal Poverty Level. (See website for details.)

For more information, visit the website at <https://www.healthytexaswomen.org/healthcare-programs/healthy-texas-women/htw-who-can-apply>

or call 2-1-1. Pick a language and then press 2. If you can't connect to 2-1-1, call 1-877-541-7905 (toll-free).
