

2015 Summit on HPV-Related Diseases

MD Anderson Cancer Center  
Staying Cancer Healthy

# Protecting Our Children - 18 Jun 2015

#EndCancer • #2015HPVSummit

## - Can Texas Lead the Nation to Protect our Children from HPV Cancers? -

### Speakers

- Dana Ashrawi, MD, RN
- Mekwish Javadi, MS
- Anna Dragsbaek, JD
- Kelly Patson
- Kenzi Guerrero

**A Texas free of Vaccine-Preventable Diseases!**

We Have the Vaccine!

TVFC is Recruiting, too!

Long Term!

Side Effects!

Retardation!

### Barriers

Seizures!

But My Child is Not at Risk...

Why should she?

Let's wait...

Safety!

I don't recommend...

Teens don't come in as much

I can't access...

I can't afford...

80% Uptake?

**Patient Education**

**Tracking**

**Communication**

↑ Access to Immunizations

Trusting Relationships & PARTNERSHIPS!

200 HB/282 Signed YESTERDAY!

This is Texas! We Can do ANYTHING!

But will the Law help Us Do It?

### LAW

**MANDATE**

Oh wait Scratch That!

When Law Requires for School entry, Why are Rates Still Low??

You Can't Pass this any other way... (But we can educate)

Women's Health

Let's Revisit ALL our ASSUMPTIONS.

**TALK • REMIND**

### LAW, STUDIES & ENVIRONMENTAL SCAN

Report!

Awards!

Collaboration

### Barriers & Supports

- Clinical Practice
- Policy
- Knowledge Deficit
- Vaccine Exemptions

### Facilitators

Be Aware!

### Resource & Gaps - Research
